FALKLAND ISLANDS: PA CHRISTMAS CARDS

1. Many thanks for your note of 9 December. I got what I asked for! I have sent on 44 of the 50 cards, to the more prominent figures met by the Minister in Port Stanley, together with those farm managers he saw in camp. There are three extra farm managers, who sent messages to him one way or another. For the record ... I enclose a complete list.

Yours ever,
Richard.

The week down South was good. After the Christmas trip hope to be able to swap you albatross feds for Johnny Rocks!
