KC 135 TANKERS

In answer to questions on the possible use of American KC 135 air-to-air refuelling tankers, the line is:

"We are exploring a number of possibilities but we are not prepared to discuss operational matters."

J F Allaway
DPF(RAF)
7.5.82.

A handwritten signature in dark ink, appearing to read 'J F Allaway', with a long horizontal flourish extending to the right.
