Possible Libyan Action Against Western European  
Power Stations

The Prime Minister was grateful for the information contained in your letter of 15 October. Should we be able to discover more about the source of the report referred to in my letter of 4 October, I shall let you know. Meanwhile, the Prime Minister has not suggested any particular follow-up action but I am sure she would like all concerned to be alert for fresh information which may confirm or refute the report.

I am copying this letter to Richard Mottram (Ministry of Defence) and Richard Hatfield (Cabinet Office).
