

10 DOWNING STREET

Mr Coles ✓ ADL<sup>2</sup>/2.

Two points from US  
ambassador:

- ① 4 pm announcement will  
most of  
reproduce/, but not go  
beyond, the President's  
message to the PM.
- ② No movement on the  
ground yet. No intention  
to start redeployment  
before announcement, and  
PTD

"probably not till 8 or 9  
days after it."

FCO find last ~~the~~ point  
difficult to believe. But  
Ambassador has apparently  
been in touch with  
Washington.
